Piraeus Bank S.A.

No consideration of adverse impacts of investment advice on sustainability factors

Pursuant to article 4(5)(b) of Regulation (EU) 2019/2088 ("SFDR") and article 13 of Delegated Regulation (EU) 2022/1288, Piraeus Bank S.A. with LEI 213800OYHR1MPQ5VJL60 ("Piraeus Bank"), in its capacity as a financial adviser, declares that, at entity level, it has decided not to consider any adverse impacts of investment decisions on sustainability factors in the investment advice it provides, taking into account the following factors:

1. The lack of sufficient data availability.
2. The evolving regulatory framework, as further developments are expected following the European Commission's assessment/review of the Sustainable Finance Disclosure Regulation (SFDR), with a view to simplifying the sustainability disclosure framework.

Piraeus Bank will reassess the above decision on an annual basis, taking into account relevant developments in the regulatory framework.

The information included in this statement updates the information previously included in the consolidated statement of Piraeus Group
(initial disclosure: 10 March 2021; First update: 30 June 2023; Second update: 28 June 2024; Third update: 30 June 2025).
